From The East

On September 04, 2012, our Senior Deacon, Brother John Preddy had an accident while tilling his garden at home and seriously injured his lower left leg and ankle. He had surgery and was at home recuperating. A subsequent MRI revealed that he required further surgery, and while at the hospital, they discovered a blood clot in his lower right lung. Bottom line, he has a very long road to recovery. Please keep him in your thoughts and prayers. I have communicated with his wife Dinah and informed her to contact me if she needs any assistance.

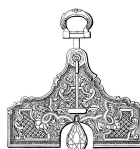

Our annual family picnic was a complete success. I want to thank our Senior Warden, Brother Jerry Hallal for taking the lead following Brother John Preddy's accident. I want to thank the usual suspects for their outstanding help in the kitchen - Brothers Bud Marchmen, Jack Bell, Chris Anders (Senior Steward) and Dennis Eaton. I want to also recognize Brother Todd Moissett who worked feverishly in the quarries of the kitchen on the day of the picnic.

For me, October is a transition month - summer is behind us and the fall season is fast approaching. Soon we will be focused on the holiday season and shopping for those holiday gifts for family and friends. Some of us will be traveling either locally or long distance to spend time with our friends and family. However, my Brethren, forget not your obligation to your Brethren and his family who may be at need, alone, or unable to enjoy the trappings of the holiday season. So take time out of your busy schedule to call, visit, or see if he is in need of assistance in any manner.

Hope to see you in your Lodge for either degree work or the Stated. Have a great month!

Every so often when the mood is just right and there is nothing to do except just to sit and do nothing, I will reach for a dictionary and read it. I do not read it as I would a novel or a publication of more meaningful substance, but only scan it, flipping the pages, looking for interesting words.

In a recent session with Mr. Webster, I came upon the word "connect". Its definition took up nearly two inches of print. It has since become one of my favorite words, and one that our fraternity cannot exist without.

Connect means to join, to link, and come together; to unite, to become bound; to become part of something bigger, something stronger. It means to combine, to attach, and to become undivided for a common cause. It's associating with and relating to. It's tying, fusing, bringing, and hooking together. It's mixing, mingling, coupling and pairing one with another to obtain an improved or desired outcome.

It means making complementary and interdependent. It means forming a kinship, a relationship, a fastening, an attachment, and a bond. It means supporting and sustaining each other, extending a helping hand, praying together, laughing together, and sometimes even crying together.

I am glad I have connected with you and I am glad we are connecting to each other.

Brother Jerry Hallal, Senior Warden

Judge Kindly! Don't expect perfection in a man because he is a Mason. If you do, you will be disappointed.

Masonry makes a man better, but no human agency can make him perfect.

If he is a Mason, you have the right to presume he is a fairly good man, but do not condemn Masonry even if a few Masons turn out bad. Even the great Teacher Himself had a Judas. The aim and purpose of Masonry is to receive none but good men, keep them good and make them better. Judge the institution not by a few failures, but by the average of its successes. That average is high and it consequently gives standing to its members, but it cannot be an infallible guide.

Worshipful Steve Ridgeway, Junior Warden

Youth Corner

Congratulations to Jeremy Hall on his installation as Kempsville DeMolay Master Councilor. The Lodge was filled with supporters, the boys and adult supervisors did a fantastic job in planning the event.

Bethel 42 conducted their Grand Visitation with Bethels 3, 37 and 46 at the Granby Temple Honoring Grand Guardian Carlotta Contata and Associate Grand Guardian Paul Shuey and there was great food, fun and karaoke afterwards.

Thank you to the Worshipful Master, Bill Peterson, and the many other Brothers who attended the Installation and Grand Visitation. Your support is appreciated and recognized by our youth.

Looking forward, your Hampton Roads area Masonic Youth Organizations will be working together to support the Granby Masonic temple at the Haunted Temple fund-raising event, October 26-28. Information will be posted at the Lodge for those interested. Come out and support our youth and Granby Temple.

The Burnt Biscuit

When I was a child, my mom liked to make breakfast food for dinner every now and then. I remember one night in particular, when she made breakfast after a long, hard day of work.

On that evening so long ago, my mom placed a plate of eggs, sausage and extremely burned biscuits in front of my dad. I remember waiting to see if anyone noticed! Yet all my dad did was reach for his biscuit, smile at my mom and asked me how my day was at school. I don't remember

what I told him that night, but I do remember watching him smear butter and jelly on that biscuit and eat every bite.

When I got up from the table that evening, I remember hearing my mom apologize to my dad for burning the biscuits and I'll never forget what he said: "Honey, I love burnt biscuits!"

Later that night, I went to kiss Daddy good night and I asked him if he really liked his biscuits burned. He wrapped me in his arms and said, "Your Momma put in a hard day of work today and she's really tired. And besides-a little burnt biscuit never hurt anyone!"

Life is full of imperfect things—and imperfect people. I'm not the best at hardly anything, and I forget birthdays and anniversaries just like everyone else. But what I've learned over the years is that learning to accept others' faults and choosing to celebrate each others' differences—is one of the most important keys to creating a healthy, growing, and lasting relationship.

"Don't put the key to your happiness in someone else's pocket—keep it in your own."

So, please pass me a biscuit, and yes, the burnt one will do just fine.
